

SOYBEAN SEED TREATMENT

UAS N-COMPASS

At UAS, our proprietary, power-packed N-Compass seed treatment comes in a variety of blends—for a variety of reasons. Every field is different, so targeting specific seedborne and soilborne diseases and organisms is critical to your bottom line.

Our customizable, all-in-one blends fight off invasive, yield-stealing pests—and administer growth-enhancing nutrients in the process.

- N-COMPASS F/I AZO
- N-COMPASS F/I Plus
- N-COMPASS F/I SDS-White Mold
- N-COMPASS F/I Red
- N-COMPASS Fungicide Only
- AND MANY MORE!
